Welcome to  
ARTS  
COMMONS!

In Blue Sky City,  
a magical arts playground  
buzzes with creativity—  
welcome to Arts Commons,  
the biggest performing arts  
centre in Western Canada! Here, theatre,  
dance, music, and visual arts are besties,  
playing and creating together.

At the Conoco Phillips Hub for Inspired Learning, students and teachers jump into their studies through art, spending five unforgettable days alongside local artists.

"I feel so confident!"

a student exclaims.

Just like you, they discover their voice is a powerful tool for change!

"Arts Commons  
helped me  
find my voice."

In the One, Two, and  
Five Day Wonder  
Programs, students  
unleash their creativity  
with exciting new tools.

Laughter fills the air,  
bold ideas take flight,  
and storytelling finds  
fresh, fun twists!

"I can do things even

...n if they feel a little SCARY!"

NATIONAL  
GEOGRAPHIC LIVE

I had questions,  
and the Explorer helped  
me find the answers.  
I learned so much!

One day, students from  
everywhere gather at the  
Jack Singer Concert Hall  
for an epic National  
Geographic Live  
adventure!

"It was  
Mind-Blowing!"

Teachers get their moment too!  
During Arts ReimaginED, they dive  
into creative workshops while  
teaching artists spread inspiration  
across Calgary schools – painting  
murals, dancing like the wind, and  
filling the air with joyful music!
