CIRCLE**

**Become a member of
Founders Circle and discover
one of the most rewarding
ways to support the
Arts Commons ecosystem.**

Founders Circle is a donor benefit program that gives you immersive experiences while you support our work in sustaining vibrant spaces where audiences, artists, and organizations thrive.

Your support enriches our diverse programs for children, teachers, and aspiring artists, bolsters the resident companies that call Arts Commons home, and aids the hundreds of community organizations who benefit from our facilities. Your membership is crucial to our mission, ensuring world-class arts and culture experiences are accessible to all Calgarians.

But that's not all. With your Founders Circle membership, you gain access to **exclusive behind-the-scenes events** with visiting artists and our partner organizations, along with several other benefits—all while supporting the work we do.

"We love bringing our family to the behind the scenes events. Our teenagers benefit from being exposed to people who are living their passions and following their hearts. It's a powerful message to instill in them to show that there are so many options on how to live a meaningful life."

—Christina Marlett, Benefactor

Christina & Paul Marlett © Will Young

"We believe in a balance in life, including academics, sports and the arts. We've been bringing our daughter to Arts Commons Presents from a young age to expose her to high quality artists. To us, the arts scene is important to our family and our city."

—Mike & Mireille Robinson, Benefactors

Arts Commons **FOUNDERS CIRCLE**

The arts inspire, enlighten, and entertain. We are grateful to the following members of Founders Circle that support our work in performance, learning, and community engagements. Enriching the lives of Calgarians through the arts and championing our city's artists, young people, resident companies, and underrepresented communities, is our shared aspiration.
